ECONOMICS OF HAPPINESS YOUTH FORUM

6:30PM, 4 MARCH 2016
89 FARNSWORTH ST, CASTLEMAINE

Dinner, Film & Discussion
Are you concerned about the future? Do you want to do something about it? Following on from the Local Lives Global Matters Conference in Castlemaine in late 2015, we are hosting a film screening and discussion especially for young people.

There are things we can all do to overcome the crises we face. People working together at a local level can make a huge difference.

There will be some older people present interested in listening, connecting and supporting young people taking charge of the future.

Be informed. Be active. Be hopeful.
Be part of the solution.
