

YOU'RE INVITED

Cancer's impact is felt long after treatment has finished. At Castlemaine Health, we're building a new, local service to support cancer survivors' transition from active treatment.

SHARE WITH US

Share your experience of life after cancer, what helped and what didn't, the barriers you faced and what you wish had been available to help you through.

YOUR INSIGHTS

Your insights and unique perspective on surviving cancer will be vital to our work. We'd love to hear your story. Survivors, their families, friends and carers are all welcome.

FOCUS GROUPS

Our two focus groups will be held at Castlemaine Health on:

- **Tuesday, 6 December**
7pm-8.30pm
- **Thursday, 8 December**
1pm-2.30pm

GET IN TOUCH

Call or email if you'd like to join our focus groups. Or you can share your experiences via survey, email or over the phone.

To be kept up to date as this new service develops, let us know via email or through our website
