BLOOD WEDDING

a play by Federico
García Lorca
Directed by
Rob Jorritsma

**Swiftly! Lightly! Did you hear me?
They must not escape!**

Join us on a journey into the Spanish countryside...

This 1933 Spanish rural tragedy by Federico García Lorca follows the love triangle of a Bride, her Bridegroom and her lover, Leonardo. In a tale of love, loyalty and the cost of tradition, two young men must face each other and what they are willing to fight for under the light of a bloodthirsty moon.

*'They were deceiving themselves, but the blood
couldn't be denied'* WOODCUTTER
