CSSK BUS SURVEY

We are reviewing our bus service and associated costs and need feedback from all users of this service.

In recent times patronage has dropped whilst costs have increased to hire the bus. The school is committed to supporting this service, however changes may be necessary to sustain it going forward.

CONVEYANCE ALLOWANCE

Any child that resides 4.8 kilometres (or more) from the school is eligible for a "Bus Conveyance Allowance" from the State Government. Unless there is another independent school closer to your home.

The allowance is approximately \$130 per term per child. However this does not FULLY cover the costs of a child using the bus service.

CHARGES

Full Time user = Conveyance Allowance (\$130) + \$129.00 per child per Term

Casual user = \$6 per trip

*All charges are added to a families invoice each Term.

** Casual users of the bus service would assist the school if they also applied for the Bus Conveyance Allowance

Please take a moment to review the next pages and help us determine if there is anything we can do to improve the service and your families use of it.
