

# ♥ *the inaugural MASG* **FASHION PARADE**

upcycled, re-purposed, recycled. reclaimed, created, loved

The fashion industry is responsible for high carbon emissions, wastewater production, and large amounts of landfill waste. Fast fashion is second only to oil as the world's largest polluter.

## **Create a better way!**

Strut your stuff on the catwalk or come along to watch.

- Different age categories
- Prizes for high fashion, environmental themes, anything but textiles and more.
- Huge rummage sale
- Food, drink and fun for all

**Sun 15th September 1-4pm**  
**Castlemaine Town Hall \$10 entry**

**Creators register by Fri 6th Sep**  
**[masg.org.au](http://masg.org.au)**
