

Scholarship Information & Application Form

Introduction

The Castlemaine Steiner School & Kindergarten seeks to foster an inclusive and diverse socioeconomic community and hopes to make Steiner education more available across our regional community.

Castlemaine Steiner School & Kindergarten (CSSK) is offering a limited number of partly or fully subsidised places to eligible applicants, who would otherwise not have the opportunity to enrol in the school, due to financial disadvantage. Scholarships are currently available for commencement in most of our classes from Kindergarten to Class 7 in 2022.

The scholarships provide a subsidy of up to 100 percent of tuition fees for eligible students for the duration of their enrolment at CSSK. In most cases, ancillary fees and charges such as camps & excursions will be the responsibility of parents/guardians. *Holders of Pension/Concession Cards can access additional government funding support for costs associated with these activities.

The total number of scholarships awarded for 2022 will depend on the number of applicants at each year level, the financial impact, and the social and educational impact on individual classes and the school as a whole.

Who is eligible to apply?

To be eligible for a scholarship, applicants must meet the following conditions:

1. Be an Australian citizen or permanent resident
2. Be eligible for enrolment at CSSK
3. Provide evidence of financial hardship. Generally, this will be met if the child is named as the card holder or a dependent child on a valid government concession card within the meaning of the State Concessions Act 2004, that is on a:
 - Centrelink Health Care Card
 - Pensioner Concession Card
 - Veterans Affairs Gold Card
4. A commitment to the principles of Steiner education and CSSK is expected from parents / guardians of applicants.

How applications will be assessed?

All applications will be assessed against the eligibility criteria by a panel including the Principal and two CSSK Board members.

Once the scholarship applications have been assessed all applicants will be notified. For approved scholarships if there is a vacancy within the class, the standard CSSK enrolment process will then commence. This will include an enrolment meeting with the Principal and/or the Class teacher to determine if the school can meet the needs of the child.
