

Local Excursion Permission 2022

The purpose of this form is for parents/guardians to grant permission for students to go on local day excursions within 40km of Castlemaine Steiner School. This will save parents/guardians from completing a form every time we venture out of the school for a local excursion. The form will remain valid until the end of 2022. No notice will be given if this excursion is on foot without cost e.g. a walk around the golf course, but for outings further than the immediate surrounds of the school, overnight or incurring a charge, parents will be sent advance written notice with additional consent forms required.
